

The Raccoon Mountain Trail system is being developed by the Chattanooga Chapter of the Southern Off-Road Bicycle Association in partnership with TVA, supported by Outdoor Chattanooga and with technical assistance from the National Park Service Rivers, Trails, and Conservation Assistance program.

We need your help to build and maintain the trails!

Please abide by the rules of the trail:

- Control your speed:
 - Bikers yield to hikers, downhill yield to uphill.
- Leave no trace:
 - Avoid riding on wet trails.
 - Stay on the trail. Do not free-ride off the trail, shortcut, or work-around.
 - *No skidding*, no kidding!
 - Pack out what you pack in.
- Be safe:
 - Plan ahead and let others know your plans.
 - Wear a helmet and other protective gear. Don't forget the bug repellent!
 - Carry plenty of water and a snack.
- Be responsible:
 - Avoid disturbing the flora and fauna... it is their home!
 - Mountain biking is a vigorous and demanding outdoor activity: It can be dangerous if not done conscientiously.
 - Be careful, and know your limits.
- Enjoy and appreciate the woods. Remember, they belong to our grandchildren.

You use these trails at your own risk.

Raccoon Mountain is open during daylight hours. Visit www.sorbachattanooga.org for information on special organized evening rides. Parking is available at all trailheads. Park in assigned spaces only and do not park on the grass. Please lock your vehicle and do not leave valuables in your car. For more information and to confirm work day details, please contact Alan Johns, SORBA Trails Director, 423-304-4886
